Peer review, honest and careful, is the cornerstone of modern scientific publishing, and essential to the maintenance of high standards in a journal. The efforts of reviewers are critical and yet unpaid, and so in the name of all of us at *The Auk: Ornithological Advances*, I take the opportunity to thank all of you who contributed reviews while Volume 132 was in preparation (reviews completed between July 2014 and June 2015). Individuals with an asterisk next to their name reviewed two or three manuscripts.

*The Auk: Ornithological Advances* is also grateful for the work of our two dedicated Editors, our busy Associate Editors, and the In Memoriam, Book Reviews, and 100 Years Ago Editors, and the expert editorial team members of the Central Ornithology Publication Office (COPO) whose work made the another successful year of *The Auk* possible.
