NOTICE

Beginning with the first issue of 2014, page charges for non-members of the Lepidopterists' Society will be increased to \$100 per page.

Authors that have already completed page charge forms for papers that are accepted by 1 January 2014 will pay the rate determined by the Editor at the time of acceptance.

All papers in review, in revision or submitted after 1 January 2014 will be subject to the new page charge structure for non-members.

Page charge rates for members of the Society remain unchanged.
