BioOne Complete (complete.BioOne.org) is a full-text database of 200 subscribed and open-access titles in the biological, ecological, and environmental sciences published by nonprofit societies, associations, museums, institutions, and presses.

Your use of this PDF, the BioOne Complete website, and all posted and associated content indicates your acceptance of BioOne's Terms of Use, available at www.bioone.org/terms-of-use.

Usage of BioOne Complete content is strictly limited to personal, educational, and non - commercial use. Commercial inquiries or rights and permissions requests should be directed to the individual publisher as copyright holder.

BioOne sees sustainable scholarly publishing as an inherently collaborative enterprise connecting authors, nonprofit publishers, academic institutions, research libraries, and research funders in the common goal of maximizing access to critical research.

Acknowledgements

This marine inventory was co-financed by Conservation International (CI), Province Nord, New Caledonia and the Coral Reef Initiative for the South Pacific (CRISP). The Department of Conservation (DoC), New Zealand also contributed to this study through an in-kind contribution. Within these organizations, we specifically wish to thank Sue Taei, François Martel, Lela Stanley and Pauline Johnston of the CI Pacific Islands Program, Nathalie Baillon of the fishing and aquaculture service of Province Nord, Eric Clua of CRISP and Dominique Benzakem of PROE and Chris Jenkins of DoC, New Zealand.

The administrative management and financial aspects of this project was ensured by L' Développement agency economic of New Caledonia (ADECAL) and we wish to thank particularly Jean-Michel Arlie, Adrien Rivaton and Carole Païdjo. Further, we thank all the people who provided their technical and logistical assistance without which this study would not have been possible. They include Pierre-Philippe Avrons of the company Néea Iti with the catamaran Bambou Free, Gwendal Guttin, Serge Andréfouët of IRD, Jean-Paul Dupuis and his wife of the Koumac harbor office, Nathaniel Cornuet, Jerome Mazarot and Charles Poitili of the fishing and aquaculture service of Province Nord, Jean-Jerome Cassan of the environmental service of Province Nord, Christophe Lenoir and Barbara Bouchard of the Koumac Scuba Club, Philippe Boulay of Marine Coral, Laurent Thomas of the Help centre, Lucien Relative of Noumea as well as Tim Adams, Thomas Avrons, Pierre Boblin, Guénolé Grooving plane, Susan Bruce, Lindsay Chapman, Mike Donoghue, Kim Friedman, Marc Gondard, Isabelle Jollit, Angela Kirkman, Kévin Leuleu, Sylvia Grippied, Anne-Sophie Pidancier, Zoe Richards and Graig Syms.

Of course we wish to address our sincere thanks to Fanja Andriamialisoa for translating this bulletin into French. Additionally, we thank Leeanne Alonso, Glenda Fabregas, Peter Hoke, Steve Richards, and Jennifer McCullough who assisted in the production of this bulletin.
