The females of Caenocholax fenyesi waloffi Kathirithamby & Johnston were said in Kathirithamby et al. (2007) to stylopize Hapithus agitator Uhler (Orthoptera: Gryllidae: Eneopterinae) in Mexico. This is incorrect. Female C. f. waloffi parasitize Macroanaxipha macilenta (Saussure) (Orthoptera: Gryllidae: Trigonidiinae) (Kathirithamby & Johnston 2004).
