BioOne Complete (complete.BioOne.org) is a full-text database of 200 subscribed and open-access titles in the biological, ecological, and environmental sciences published by nonprofit societies, associations, museums, institutions, and presses.

Your use of this PDF, the BioOne Complete website, and all posted and associated content indicates your acceptance of BioOne's Terms of Use, available at www.bioone.org/terms-of-use.

Usage of BioOne Complete content is strictly limited to personal, educational, and non - commercial use. Commercial inquiries or rights and permissions requests should be directed to the individual publisher as copyright holder.

BioOne sees sustainable scholarly publishing as an inherently collaborative enterprise connecting authors, nonprofit publishers, academic institutions, research libraries, and research funders in the common goal of maximizing access to critical research.

Arctic, Antarctic, and Alpine Research

An Interdisciplinary Journal

(continuing Arctic and Alpine Research)

Arctic, Antarctic, and Alpine Research is published quarterly (February, May, August, and November) by the Institute of Arctic and Alpine Research, University of Colorado, 450 UCB, Boulder, Colorado 80309-0450, U.S.A.; telephone (303) 492-6391. Nonprofit postal permit #29840. Periodicals postage paid at Boulder, Colorado, and at additional mailing office. Postmaster: send address changes to Institute of Arctic and Alpine Research, University of Colorado, 450 UCB, Boulder, Colorado 80309-0450. USPS 029-840.

2015 online subscriptions (4 numbers) are \$300 for institutions, \$110 for individuals, and \$80 for students/retired. Print + online subscriptions are \$350 for institutions, \$150 for individuals and \$90 for students/retired. Delivery of print copies to addresses outside the United States requires a \$25 surcharge. AAAR no longer offers print-only subscriptions. Prices and availability of back issues vary; contact Jen Hall-Bowman (AAARsubs@colorado.edu) for details. Subject and Author Index for Vols. 1–10 is \$5.00. Claims for nonreceipt of copies in North America should be made within 6 months of date of issue; claims from elsewhere, within 8 months. To email subscription requests or claims, contact Jen Hall-Bowman (AAARsubs@colorado.edu).

Direct all other communications to Larry Bowlds, Managing Editor, *Arctic, Antarctic, and Alpine Research*, 450 UCB, University of Colorado, Boulder, Colorado 80309-0450, U.S.A., or AAAR@colorado.edu. The journal's web site is <http://instaar.colorado.edu/AAAR/>, which is also the gateway to the online version of the journal.

Copyright 2014, Regents of the University of Colorado. Material in this journal may be freely used if it is determined to be "fair use" under Section 107 or satisfies the conditions in Section 108 of the U.S. Copyright Law (17 USC, as revised by P.L. 94-553). For copying beyond that permitted by Section 107 or 108 of the U.S. Copyright Law, authorization to photocopy items for internal or personal use, or the internal or personal use of specific clients, is granted by the Regents of the University of Colorado for libraries and other users registered with the Copyright Clearance Center (CCC) Transactional Reporting Service, provided that the fee of \$7.00 per article is paid directly to CCC, 222 Rosewood Drive, Danvers, Massachusetts 01923, U.S.A. For those organizations that have been granted a photocopy license by CCC, a separate system of payment has been arranged. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. U.S. Government works, for which copyright protection is not available, do not bear separate copyright statements.

Microform edition of current volumes and out-of-print issues is available from University Microfilms, 300 N. Zeeb Road, Ann Arbor, Michigan 48106, U.S.A.

1523-0430/06 \$7.00
