BioOne Complete (complete.BioOne.org) is a full-text database of 200 subscribed and open-access titles in the biological, ecological, and environmental sciences published by nonprofit societies, associations, museums, institutions, and presses.

Your use of this PDF, the BioOne Complete website, and all posted and associated content indicates your acceptance of BioOne's Terms of Use, available at www.bioone.org/terms-of-use.

Usage of BioOne Complete content is strictly limited to personal, educational, and non-commercial use. Commercial inquiries or rights and permissions requests should be directed to the individual publisher as copyright holder.

BioOne sees sustainable scholarly publishing as an inherently collaborative enterprise connecting authors, nonprofit publishers, academic institutions, research libraries, and research funders in the common goal of maximizing access to critical research.

ACKNOWLEDGMENT OF REVIEWERS

The editors are deeply grateful to the following reviewers (members and nonmembers of the Botanical Society of America) who have generously given of their time to review manuscripts submitted to *Applications in Plant Sciences*. The list includes those who reviewed manuscripts from January 1, 2013 to December 19, 2013. If any reviewer's name has been omitted, we apologize, and ask that a note be sent to the Managing Editor so the list can be corrected.
