BioOne Complete (complete.BioOne.org) is a full-text database of 200 subscribed and open-access titles in the biological, ecological, and environmental sciences published by nonprofit societies, associations, museums, institutions, and presses.

Your use of this PDF, the BioOne Complete website, and all posted and associated content indicates your acceptance of BioOne's Terms of Use, available at www.bioone.org/terms-of-use.

Usage of BioOne Complete content is strictly limited to personal, educational, and non - commercial use. Commercial inquiries or rights and permissions requests should be directed to the individual publisher as copyright holder.

BioOne sees sustainable scholarly publishing as an inherently collaborative enterprise connecting authors, nonprofit publishers, academic institutions, research libraries, and research funders in the common goal of maximizing access to critical research.

Calendar of meetings

The *BioScience* calendar is published in every issue. Announcements must be received at least two months (by the first of the month) before publication. Address correspondence to CALENDAR, *BioScience*, 1444 I Street, NW, Suite 200, Washington, DC 20005; e-mail: spotter@aibs.org.

Classified Advertisements in *BioScience*

The classified section of *BioScience* includes notices of positions available, research awards and fellowships, and meetings and seminars. Both display classifieds and line classifieds are available.

How to submit an ad. For display advertisements and deadlines, contact Jennifer Rogers; telephone: 510-642-6188; fax: 510-642-9917; e-mail: jennifer.rogers@ucpress.edu. Lead time is approximately two months before the issue date. For classified advertisements, contact Jennifer A. Williams; telephone: 202-628-1500, ext. 209; fax: 202-628-1509; e-mail: jwilliams@aibs.org.

Rates. Line classified advertisements are \$2.00 per word, with a 50-word minimum. Contact Jennifer Rogers for information on the costs of including borders or logos in line classifieds and for information on display classified rates (www.aibs.org/bioscience/advertise.html). Frequency discounts are available.

Free online posting. All classified advertising will also be posted on the AIBS Web site (www.aibs.org) at no additional charge. *BioScience* reserves the right to edit or decline to publish advertisements. Classified advertisements will be edited and typeset according to *BioScience* style.
