BioOne Complete (complete.BioOne.org) is a full-text database of 200 subscribed and open-access titles in the biological, ecological, and environmental sciences published by nonprofit societies, associations, museums, institutions, and presses.

Your use of this PDF, the BioOne Complete website, and all posted and associated content indicates your acceptance of BioOne's Terms of Use, available at www.bioone.org/terms-of-use.

Usage of BioOne Complete content is strictly limited to personal, educational, and non - commercial use. Commercial inquiries or rights and permissions requests should be directed to the individual publisher as copyright holder.

BioOne sees sustainable scholarly publishing as an inherently collaborative enterprise connecting authors, nonprofit publishers, academic institutions, research libraries, and research funders in the common goal of maximizing access to critical research.

Publication Policy

Mountain Research and Development is published quarterly by the International Mountain Society and is freely available online and open access in collaboration with BioOne (http://www.bioone.org/loi/mred).
The journal is subject to the terms of the Creative Commons Attribution License (http://creativecommons.org/licenses/by/3.0). Ownership of the copyright to articles is retained by the authors, but anyone may download, reuse, reprint, modify, distribute and/or copy articles in MRD **provided that the original authors and source are cited**. **Permission for commercial use must be obtained from the author**. For any reuse or redistribution of a work, the license terms under which the work was published must be made clear.

MRD is indexed in the Science Citation Index, Current Contents/ Agriculture, Biology and Environmental Sciences, Geo Abstracts, C.A.B. International Series Checklist, AGRICOLA databases, Meteorological and Geoastrophysical Abstracts (MGA), CABS (Current Awareness in Biological Sciences), and others. MRD is also listed in the Directory of Open Access Journals (DOAJ).
