AN INVOLUNTARY OMISSION: A RESPONSE TO SARASOLA

Sarasola (2006, *J. Raptor Res.* 40:178) claims that the data in Leveau et al. (2004, *J. Raptor Res.* 38:178–181) were previously published in Leveau et al. 2002 (*Ornitol. Neotrop.* 13:307–311). We did use a modified version of the same data set, but did not acknowledge that most of the data on the White-tailed Kite (*Elanus leucurus*) diet were published in another paper that addressed a different research question. This omission was unintentional.—**Lucas M. Leveau and Carlos M. Leveau (e-mail address: lucasleveau@yahoo.com.ar), Alte.
