BioOne Complete (complete.BioOne.org) is a full-text database of 200 subscribed and open-access titles in the biological, ecological, and environmental sciences published by nonprofit societies, associations, museums, institutions, and presses.

Your use of this PDF, the BioOne Complete website, and all posted and associated content indicates your acceptance of BioOne's Terms of Use, available at www.bioone.org/terms-of-use.

Usage of BioOne Complete content is strictly limited to personal, educational, and non - commercial use. Commercial inquiries or rights and permissions requests should be directed to the individual publisher as copyright holder.

BioOne sees sustainable scholarly publishing as an inherently collaborative enterprise connecting authors, nonprofit publishers, academic institutions, research libraries, and research funders in the common goal of maximizing access to critical research.

ASP CONSERVATION SMALL GRANTS FOR 2006 – EARLY DEADLINE

The ASP Conservation Committee would like to solicit grant proposals for the ASP Conservation Small Grants competition of 2006. These grants, up to \$1500, are specifically designed to help fund conservation research or related projects, including conservation education. ASP members working in habitat countries are especially urged to apply or to help someone from a habitat country submit a meaningful project that can be a portion of a larger effort. Guidelines for the grant applications are available on the ASP website, <<http://www.asp.org>>, and may also be obtained from Dr. Janette Wallis, Chair of the ASP Conservation Committee, ABTI-American University of Nigeria, e-mail <janettewallis@sbcglobal.net> or <jwallis@aaun.edu.ng>.

Please note that the Conservation Small Grants will be awarded early again this year, in order to expedite the delivery of grant money to the winners in time for the summer months when many of these projects begin. The deadline for grant proposals is 16 January 2006. Materials may be submitted online at the ASP website beginning in early December or sent as an e-mail attachment to the Committee Chair at the address above. Successful grants will be announced in late March, 2006.
