

List of snake species reported having been captured by spiders. * Staged field experiment ** Staged ? **Martin Nyffeler & J. Whitfield Gibbons (4 February 2021)**

This compilation is the result of a comprehensive global literature and social media survey (links to websites had been detected by searching Google Pictures, Google Scholar, Google Books, and Google Search; websites had been accessed for research purposes only – the authors do not necessarily agree with opinions shared on these sites).

Species #	Snake species	Snake family	Spider species	Spider family	Country	Source
